

Women Hackathon

Application name : Souvenir

Login/Registration page

You only need your email id and
Password to login / register

The image shows a mobile application interface for a login or registration page. At the top, a purple header bar contains the word "Souvenir" in white. Below the header, there are two input fields: "Email" with the text "hackathon@gmail.com" and "Password" with masked characters ".....". A pink underline is visible under the password field. Below the fields is a grey button labeled "SIGN IN". At the bottom of the screen, a virtual keyboard is displayed, showing numbers, letters, and symbols. The status bar at the very top shows various icons and the time "10:39".

Notification

Early 7 am, a reminder is generated. A background process runs which checks if an item uses daily default consumption and thus for those items, subtracts the default consumption. It basically gives notification of items you need you buy.

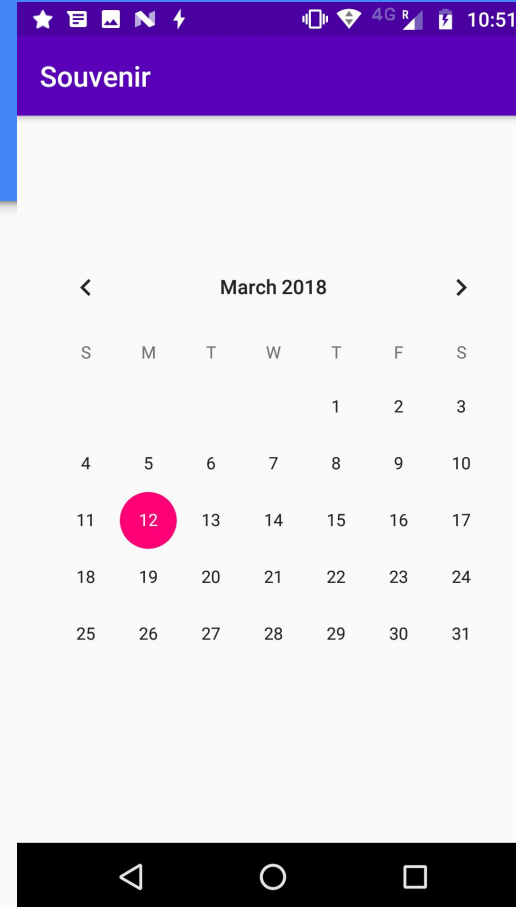

Google page

Allows you to google any thing
in google

Calendar page

It provides calendar just to decide your shopping date and make app handy.

THANK YOU
